Pharm. D Academic Regulations -2025

1. Short Title and Commencement

The Pharm. D Academic Regulations -2025 are framed by Aditya University, Surampalem in accordance with the norms established under section 10 of the Pharmacy Act, 1948 (8 of 1948) which was approved by the Government of India, Ministry of Health vide, letter No.V.13013/1/2007-PMS, dated the 13th March, 2008 and notified by the Pharmacy Council of India. No.14-126/2007-PCI. These regulations shall take effect from Academic Year 2025-26 and are subject to periodic modifications as per the guidelines and directives issued by the PCI from time to time.

Pharm. D shall consist of a certificate, having passed the course of study and examination as prescribed in these regulations, for the purpose of registration as a pharmacist to practice the profession under the Pharmacy Act, 1948.

2. Admissions

Institutions running B. Pharm programme approved under section 12 of the Pharmacy Act, will only be permitted to run Pharm. D. Programme. Pharm. D. (Post Baccalaureate) programme will be permitted only in those institutions which are permitted to run Pharm. D. programme.

2.1 Minimum qualification for admission

- Pharm. D. Course – A pass in any of the following examinations -
- 10+2 examination with Physics and Chemistry as compulsory courses along with one of the following courses: Mathematics or Biology.
- A pass in D. Pharm course or any other equivalent qualification from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act.
- Provided that a student should complete the age of 17 years on or before 31st December of the year of admission to the course.
- Provided that there shall be reservation of seats for the students belonging to the Scheduled Castes, Scheduled Tribes and other Backward Classes in accordance with the instructions issued by the Central Government/State Government/Union Territory Administration as the case may be from time to time.
- Pharm. D. (Post Baccalaureate) Course - A pass in B. Pharm from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act:
- Provided that there shall be reservation of seats for the students belonging to the Scheduled

Castes, Scheduled Tribes and other Backward Classes in accordance with the instructions issued by the Central Government/State Government/Union Territory Administration as the case may be from time to time.

3. Academic System

3.1 Duration of the program

- Pharm. D: The duration of the course shall be six academic years (five years of study and one year of internship or residency) full time with each academic year spread over a period of not less than two hundred working days. The period of six years duration is divided into two phases –
 - Phase I – consisting of First, Second, Third, Fourth and Fifth academic year.
 - Phase II – consisting of internship or residency training during sixth year involving posting in specialty units. It is a phase of training wherein a student is exposed to actual pharmacy practice or clinical pharmacy services and acquires skill under supervision so that he or she may become capable of functioning independently.
 - Pharm. D. (Post Baccalaureate): The duration of the course shall be for three academic years (two years of study and one year internship or residency) full time with each academic year spread over a period of not less than two hundred working days. The period of three years duration is divided into two phases –
 - Phase I – consisting of First and Second academic year.
 - Phase II – consisting of Internship or residency training during third year involving posting in
 - Specialty units. It is a phase of training wherein a student is exposed to actual pharmacy practice or clinical pharmacy services, and acquires skill under supervision so that he or she may become capable of functioning independently.
- The medium of instruction and examination shall be in English.

3.2 Curriculum:

Pharm. D program contains a prescribed list of courses in a specific format which is generally called "Curriculum". Students admitted into a program shall adopt a curriculum specified by the Academic Council for that academic year. Unless otherwise stated explicitly by the Academic Council, any changes in curriculum will be applicable to the students admitted in the subsequent year and the existing batches continue to follow the curriculum prescribed at the time of their joining the program. Curriculum contains list of courses grouped under various heads, viz. Major Core Courses (MCC), Multidisciplinary Courses (MDC), Ability Enhancement Courses (AEC),

Skill Enhancement Courses (SEC), and Clerkship/Internship/Project/Dissertation (PROJ). A student is considered to have completed the degree program, if and only if, he/she has successfully cleared/completed all the necessary courses prescribed in the curriculum. The Dean, School of Pharmacy, is deemed to be responsible for the curriculum of that particular program. Any change in the Curriculum should be recommended by the Board of Studies of the program concerned and submitted to the Academic Council by the Chairperson of the Board of Studies (BoS) for approval. The Program Educational Objectives (PEOs), Program Outcomes (POs), and Course Outcomes (COs) along with the Program Specific Outcomes (PSOs) should be clearly defined while framing the curriculum.

3.3 Course Levels

All the Courses in the curriculum have been classified as Foundation Level courses (FC), Intermediate Level courses (IC) and Advanced Level courses (AC).

3.4 Syllabus

A course syllabus is a document that outlines all the essential information about a course. Each course shall have a course code, course title, LTP (Lecture: Tutorial: Practice), course pre-requisites (if any), expected course outcomes, a brief description of the topics, suggested textbooks, reference books and other e-resources.

3.5 Course Plan:

The course of study for Pharm. D shall include year Wise Theory & Practical as given in the curriculum. The number of hours to be devoted to each theory, tutorial and practical course in any year shall not be less than that shown in the tables given the curriculum.

Sixth Year: Internship or residency training including postings in speciality units. Student should independently provide the clinical pharmacy services to the allotted wards. (i) Six months in General Medicine department, and (ii) Two months each in three other speciality departments.

3.6 Course Code

Each course is identified by a unique Course Code consisting of eight alphanumerical characters. The first two numerals indicate the regulation year, third and fourth numeral indicates the program, the next two alphabets reflect the course offering department, and the rest of the two numerals indicate a running course number.

A roll number is a unique identification number assigned to students, it's typically used for administrative purposes, including tracking academic performance, exam registration, and identification. A roll number consists of ten alphanumerical characters, the first two numerals indicate the year of admission, third alphabet indicates the Program level, the fourth numeral indicates the mode of study, fifth numeral indicates the school, the next two alphabets indicate the specialization, and the last three numerals indicate the serial number, for PhD program eighth numeral indicates the session of admission (July/January).

4. Proctoring System

Each admitted student is assigned under a Proctor by the School concerned. The proctor can refer to the student information system to get information on his / her academic performance. The Proctor shall discuss with the student periodically, and suggest the number and nature of courses to be registered in a year, within the framework of that program curriculum. Students having backlogs or under detention may get advice for pacing the program accordingly. Apart from guiding in academics, the proctor shall also motivate/encourage the students in all other aspects for their holistic development.

5. Attendance

A regular record of attendance both in Theory and Practical shall be maintained by the teaching staff of respective courses. Only the students who produce certificate from the Dean, School of Pharmacy in which he or she has undergone the Pharm. D or as the case may be, the Pharm. D (Post Baccalaureate) course, in proof of his or her having regularly and satisfactorily undergone the course of study by attending not less than 80% of the classes held both in theory and in practical separately in each course shall be eligible for appearing at examination.

6. Course Categories

Courses are broadly classified based on categories of the course as follows:

Table-I: Classification of courses based on categories of the courses

S.No.	Broad Category of Courses
1	Major Core Courses (MCC)
2	Ability Enhancement Courses (AEC)
3	Skill Enhancement Courses (SEC)
4	Internship (PROJ)

6.1 Major Core Courses (MCC)

The Major Core Courses for Pharm. D programme typically depends on the specific Pharmacy discipline.

6.2 Ability Enhancement Courses (AEC)

Ability Enhancement Courses are designed to develop essential skills and competencies necessary for personal and professional growth. These courses focus on enhancing abilities such as communication, critical thinking, and practical skills.

6.3 Skill Enhancement Courses (SEC)

Skill Enhancement Courses are designed to equip students with practical skills and competencies that are directly applicable to professional careers. These courses aim to enhance employability and provide hands-on experience in specific areas.

6.4 Internship/ Clerkship/ Project (PROJ)

The internship bridges the gap between academic education and professional practice, preparing graduates to function as competent clinical pharmacists capable of providing evidence-based pharmaceutical care and contributing effectively to multidisciplinary healthcare teams.

- Clerkship is a practical training program where pharmacy students work in hospitals and healthcare facilities under the supervision of experienced pharmacists to gain hands-on patient care experience. This training bridges classroom learning with real-world practice, developing the essential clinical skills needed to become competent pharmacists capable of providing quality pharmaceutical care to patients.
- Project is a research-based academic component where students undertake an independent investigative study on a pharmaceutical or clinical topic under faculty guidance during their program. This project develops students' research skills, critical thinking abilities, and scientific writing capabilities, preparing them to contribute to evidence-based pharmacy practice and pharmaceutical sciences through systematic investigation and scholarly work.

7. Assessment and Evaluation

Every year there shall be an examination to examine the students.

Each examination may be held twice every year. The first examination in a year shall be the annual examination and the second examination shall be supplementary examination.

The examinations shall be of written and practical (including oral nature) carrying maximum marks for each part of a course as indicated in Tables below:

Project **: 30 marks - viva voce (oral); 70 marks - thesis work.

7.1 Examination.

- Every year there shall be an examination to examine the students.
- Each examination may be held twice every year. The first examination in a year shall be the annual examination and the second examination shall be supplementary examination.
- The examinations shall be of written and practical (including oral nature) carrying maximum marks for each part of a subject as indicated in Tables below :

7.2 Mode of examinations

- Theory examination shall be of three hours and practical examination shall be of four hours duration.
- A Student who fails in theory or practical examination of a course shall re-appear both in theory and practical of the same course.
- Practical examination shall also consist of a viva –voce (Oral) examination.
- Clerkship examination – Oral examination shall be conducted after the completion of clerkship of students. An external and an internal examiner will evaluate the student. Students may be asked to present the allotted medical cases followed by discussion. Students' capabilities in delivering clinical pharmacy services, pharmaceutical care planning and knowledge of therapeutics shall be assessed.

7.3 Award of Internal marks and maintenance of records:

- A regular record of both theory and practical class work and examinations conducted in an institution imparting training for Pharm. D. or as the case may be, Pharm. D. (Post Baccalaureate) course, shall be maintained for each student in the institution and 30 marks for each theory and 30 marks for each practical course shall be allotted as Internal.
- There shall be at least two periodic Internal examinations during each academic year and the highest aggregate of any two performances shall form the basis of calculating Internal marks.
- The Internal marks in practical shall be allotted on the following basis:-
 - Actual performance in the Internal examination (20 marks);
 - Day to day assessment in the practical class work, promptness, viva-voce record maintenance, etc. (10 marks).

7.4 Minimum marks for passing examination.—

A student shall not be declared to have passed examination unless he or she secures at least 50% marks in each of the courses separately in the theory examinations (YEE), including Internal marks (CIE) and at least 50% marks in each of the practical examinations (YEE) including Internal marks (CIE). The students securing 60% marks or above in aggregate in all courses in a single attempt at the Pharm. D or as the case may be, Pharm. D. (Post Baccalaureate) course examination shall be declared to have passed in first class. Students securing 75% marks or above in any course or courses shall be declared to have passed with distinction in the course or those courses provided he or she passes in all the courses in a single attempt.

7.5 Eligibility for promotion to next year:

All students who have appeared for all the courses and passed the first year annual examination are eligible for promotion to the second year and, so on. However, failure in more than two courses shall debar him or her from promotion to the next year classes.

7.6 Approval of examinations:

Examinations shall be held by the examining authority hereinafter referred to as the university, which shall be approved by the Pharmacy Council of India under sub-section (2) of section 12 of the Pharmacy Act, 1948. Such approval shall be granted only if the examining authority concerned fulfills the conditions as specified in Appendix–D to these regulations.

7.7 Certificate of passing examination:

Every student who has passed the examinations for the Pharm. D. (Doctor of Pharmacy) or Pharm. D. (Post Baccalaureate) (Doctor of Pharmacy) as the case may be shall be granted a certificate by the examining authority.

8. Hospital training:

8.1 Hospital posting:

Every student shall be posted in constituent hospital for a period of not less than fifty hours to be covered in not less than 200 working days in each of second, third & fourth year course. Each student shall submit report duly certified by the preceptor and duly attested by the Head of the Department or Institution as prescribed. In the fifth year, every student shall spend half a day in the morning hours attending ward rounds on daily basis as a part of clerkship. Theory teaching may be scheduled in the afternoon.

8.2 Project work:

- To allow the student to develop data collection and reporting skills in the area of community, hospital and clinical pharmacy, a project work shall be carried out under the supervision of a teacher. The project topic must be approved by the Head of the Department or Head of the Institution. The same shall be announced to students within one month of commencement of the fifth year classes. Project work shall be presented in a written report and as a seminar at the end of the year. External and the internal examiners shall do the assessment of the project work.
- Project work shall comprise of objectives of the work, methodology, results, discussions and conclusions.

8.3. Objectives of project work:

The main objectives of the project work is to— (i) show the evidence of having made accurate description of published work of others and of having recorded the findings in an impartial manner; and (ii) develop the students in data collection, analysis and reporting and interpretation skills.

8.4 Methodology:

To complete the project work following methodology shall be adopted, namely:

- Students shall work in groups of not less than two and not more than four under an authorized teacher;
- Project topic shall be approved by the Head of the Department or Head of the Institution;

- Project work chosen shall be related to the pharmacy practice in community, hospital and clinical setup. It shall be patient and treatment (Medicine) oriented, like drug utilization reviews, pharmacoepidemiology, pharmacovigilance or Pharmacoeconomics;
- Project work shall be approved by the institutional ethics committee;
- Student shall present at least three seminars, one in the beginning, one at middle and one at the end of the project work; and
- Two-page write-up of the project indicating title, objectives, methodology anticipated benefits and references shall be submitted to the Head of the Department or Head of the Institution.

8.5 Reporting:

- Student working on the project shall submit jointly to the Dean, School of Pharmacy a project report of about 40-50 pages. Project report should include a certificate issued by the authorized teacher, Head of the Department as well as by the Head of the Institution
- Project report shall be computer typed in double space using Times Roman font on A4 paper. The title shall be in bold with font size 18, sub-titles in bold with font size 14 and the text with font size 12. The cover page of the project report shall contain details about the name of the student and the name of the authorized teacher with font size 14.
- Submission of the project report shall be done at least one month prior to the commencement of annual or supplementary examination.

8.6 Evaluation:

The following methodology shall be adopted for evaluating the project work—

- (i) Project work shall be evaluated by internal and external examiners.
- (ii) Students shall be evaluated in groups for four hours (i.e., about half an hour for a group of four students).
- (iii) Three seminars presented by students shall be evaluated for twenty marks each and the average of best two shall be forwarded to the university with marks of other courses.
- (iv) Evaluation shall be done on the following items: Marks
 - a. Write up of the seminar (7.5)
 - b. Presentation of work (7.5)
 - c. Communication skills (7.5)
 - d. Question and answer skills (7.5)
 - Total (30 marks)

- (v) Final evaluation of project work shall be done on the following items: Marks
- | | |
|-------------------------------|------------|
| a. Write up of the seminar | (17.5) |
| b. Presentation of work | (17.5) |
| c. Communication skills | (17.5) |
| d. Question and answer skills | (17.5) |
| Total | (70 marks) |

Explanation: For the purposes of differentiation in the evaluation in case of topic being the same for the group of students, the same shall be done based on item numbers b, c and d mentioned above.

8.7 Sixth year: Internship

- Internship is a phase of training wherein a student is expected to conduct actual practice of pharmacy and health care and acquires skills under the supervision so that he or she may become capable of functioning independently.
- Every student has to undergo one year internship as per the following regulations.

- Where an intern is posted to district hospital for training, there shall be a committee consisting of representatives of the college or university, and the district hospital administration, who shall regulate the training of such trainee.
- For such trainee a certificate of satisfactory completion of training shall be obtained from the relevant administrative authorities which shall be countersigned by the Principal or Dean of College.
- Every candidate shall be required, after passing the final Pharm. D. or Pharm. D. (Post Baccalaureate) examination as the case may be to undergo compulsory rotational internship to the satisfaction of the College authorities and University concerned for a period of twelve months so as to be eligible for the award of the degree of Pharm. D. or Pharm. D. (Post Baccalaureate) as the case may be.

8.8 Assessment of internship:

The intern shall maintain a record of work which is to be verified and certified by the preceptor (teacher practitioner) under whom he works. Apart from scrutiny of the record of work, assessment and evaluation of training shall be undertaken by an objective approach using situation tests in knowledge, skills and attitude during and at the end of the training. Based on the record of work and date of evaluation, the Dean or Principal shall issue certificate of satisfactory completion of training, following which the university shall award the degree or declare him eligible for it.

- Satisfactory completion of internship shall be determined on the basis of the following:-
- Proficiency of knowledge required for each case management SCORE 0-5
- The competency in skills expected for providing Clinical Pharmacy Services SCORE 0-5
- Responsibility, punctuality, work up of case, involvement in patient care SCORE 0-5

- Ability to work in a team (Behavior with other healthcare professionals including medical doctors, nursing staff and colleagues). SCORE 0 - 5
- Initiative, participation in discussions, research aptitude. SCORE 0 - 5.
- Poor 0; Fair 1; Below Average 2; Average 3 ; Above Average 4 ; and Excellent 5.
- A Score of less than 3 in any of above items will represent unsatisfactory completion of internship.

8.9 Student Activity Based Learning (SABL):

Student Activity Based Learning (SABL) is an Ability Enhancement Course to improve the ability of student in Extracurricular and co-curricular activities. A student has to earn a grade by getting merit or participation certificate for events listed in Table-II; he/she has to submit the certificate of participation / merit. Grade shall be assigned as per the details given in Table-III (Grading for Student Activity Based Learning).

The criteria to acquire the Satisfactory / Non-satisfactory grade shall be defined by gaining 50 points in the Student Activity Based Learning Programs conducted in the institute from time to time.

Table-II: Student Activity based Learning:

8.10 Eligibility for Examinations

A student who has registered for the courses is eligible to take the YEE. However, a student shall not be permitted to take the YEE if they are involved in any in-disciplinary issues or have a shortage of attendance.

8.11 Announcement of Results

The Controller of Examinations will announce the results within a week after the completion of the examinations. Students can view their results through their student login portal.

8.12 Script Viewing/Revaluation

Students can view their answer scripts through their login portal by paying the prescribed fee.

Students who are not satisfied with the grade obtained can apply for revaluation by paying the prescribed revaluation fee.

8.13 Withholding of Results

If a student has any dues to the university or is involved in any in-disciplinary activity, malpractice, or court case, his/her results shall be withheld.

8.14 Makeup Internal Examinations

If a student is absent during the internal examinations for a valid reason and with prior permission from the Dean, School of Pharmacy, the student shall attend the Makeup Internal Examination. The schedule for the Makeup Internal Examination is provided in the academic calendar.

8.15 Supplementary Examinations:

A student can appear for supplementary examinations whenever notifications released by university

9. Grading

Absolute grading

Absolute grading shall be adopted if the Course strength is less than or equal to 30 students.

Table-III: Grading for Student Activity Based Learning (Grading is Absolute)

Range of Points	Grade
40 and above	S
Below 40	N

S –satisfactory; N – Non-satisfactory.

10. Academic Malpractice:

The Controller of Examinations shall refer all instances of malpractice detected in Internal Evaluations and End Examinations to an Enquiry Committee. The Committee shall submit a report on the malpractice allegedly committed by the student to the Controller of Examinations. The Controller of Examinations, along with the members of the Committee, is authorized to impose a suitable punishment as per the University malpractice rules.

The committee consists of the Head of the concerned department, a course expert, and an observer.

11. Issue of Certificates:

The Provisional Certificate (PC), Consolidated Marks Memo (CMM), and Original Degree (OD) will be issued by the University Examination Center, whereas Marks sheets shall be obtained from DigiLocker.
