## ABOUT THE UNIVERSITY

Aditya University is a State Private University formed under the Andhra Pradesh Private Universities Act, 2016. It has evolved from the well-established Aditya Engineering College in Surampalem, Kakinada District, Andhra Pradesh. Aditya University is committed to provide quality higher education with global standards. Programs are well crafted to blend academic rigor with practical relevance, equipping students to effectively address both societal and industrial challenges. Experienced and learned teachers encourage intellectual curiosity, critical thinking, and cooperation among the diverse student community in an inclusive manner to realise their full potential and contribute to society. The memorandum of understanding with foreign universities usher a new era of international academic excellence, fostering a vibrant, globally engaged educational community at Aditya University leading to joint degree certifications and joint research programmes. Industry collaborations build a synergistic relationship for internship opportunities, project-based learning, and innovative research.

- To be a globally recognized University through excellence in Education, Innovation and Sustainable growth.
- Deliver collaborative education to prepare students for global challenges through
  - i.* Transformative learning,
  - ii.* Vibrant research ecosystem,
  - iii.* Sustainable and inclusive community

## A HUB OF EXCELLENCE IN ENGINEERING EDUCATION

Aditya University has achieved remarkable milestones in 2024, securing prestigious rankings in various national surveys. The university has been placed in the 201-300 rank band in the NIRF All India Rankings 2024, showcasing its excellence at the national level. Silicon India Education ranked Aditya University 13th in All India and 4th in South India among the Top 100 Engineering Colleges in India. Additionally, Academic Insights positioned the university at 27th in India's Top 50 Engineering Colleges, while CSR Rankings 2024 recognized it as an Outstanding Engineering College of Excellence in India. Aditya University has also been featured among the Top Engineering Colleges in India by Global Health Resource Development Centre Pvt. Ltd. (GHRDC) and Times Engineering, with the latter highlighting it in the TEI Ranking Survey 2024. Furthermore, the university has been acknowledged among the Best Engineering Colleges in India by THE WEEK - Hansa Research Survey 2024. These accolades reflect Aditya University's unwavering commitment to excellence in engineering education and its continuous efforts to set new benchmarks for success.

## A PROUD MOMENT OF RECOGNITION

Aditya Engineering College, now Aditya University, has reached yet another milestone in its journey of excellence. In recognition of its remarkable growth and commitment to academic distinction, JNTUK, Kakinada, honored the institution with a prestigious appreciation award.

This accolade celebrates the transformation of Aditya Engineering College into a full-fledged university, a testament to its relentless pursuit of quality education and holistic development.

This recognition inspires us to continue striving for greater achievements and to uphold the values that define Aditya University.

**JNTUK Appreciation Award**  
On the Occasion Of  
**XVII JNTUK FORMATION DAY**

## GLOBAL SUSTAINABLE DEVELOPMENT CONGRESS

Dr. M. Sreenivasa Reddy, Honorable Deputy Pro Chancellor, and Dr. G. Suresh, Registrar are representing at the Times Higher Education Global Sustainable Development Congress 2024 in Bangkok. They are joining thought leaders and innovators from around the world to discuss urgent solutions to the sustainability emergency. Proud to be part of this global effort towards a sustainable future!

## THE INNOVATION & IMPACT SUMMIT

**Prof. M.B.Srinivas**  
Vice Chancellor

**Innovation & Impact Summit**  
Beyond borders: Empowering innovation on a global scale

Prof. M. B. Srinivas, Honorable Vice Chancellor, represented Aditya University at the prestigious THE Innovation & Impact Summit held in Delhi. During the event, Prof. Srinivas highlighted the remarkable journey and achievements of Aditya University, showcasing its academic excellence, innovative initiatives, and global collaborations. His presentation exemplified the pride and vision that drive our university to greater heights.

## OUTSTANDING ACCOMPLISHMENT

**Dr.M.V.Rajesh**

Associate professor, Dept. of IT  
Associate Dean, School of Engineering

for showing an outstanding accomplishment at the workshop on  
"Capacity Building for Leadership and Educators JNTUK"  
held at Universiti Teknikal Malaysia Melaka (UTeM), Malaysia.

Dr. M.V. Rajesh, Associate Professor in the Department of IT and Associate Dean, School of Engineering has shown outstanding accomplishment at the workshop on "Capacity Building for Leadership and Educators JNTUK," held at Universiti Teknikal Malaysia Melaka (UTeM), Malaysia from 20-25th October 2024.

UTeM organized this program to equip faculty and administrators with technology for leadership for effective teaching and administration.

The workshop hosted a group of 23 faculty members and administrators from JNTUK and its affiliated colleges, focusing on advanced and innovative teaching tools and techniques for curriculum integration.

Dr. M.V. Rajesh was nominated by Aditya University and demonstrated excellent performance in the workshop, earning a certificate of recognition. We extend our heartfelt congratulations to Dr. M.V. Rajesh for his active participation and remarkable achievement in this program.

## A IDEATHON 2025

An IdeaThon 2025 at Aditya University kicked off with unmatched energy and enthusiasm! Innovators dived deep into brainstorming sessions, coding challenges, and collaborative discussions, showcasing their creativity and problem-solving skills. The tech-driven atmosphere set the stage for an inspiring start to this two-day event.

Brimming with innovation and excitement, the campus transformed into a hub of creativity as brilliant minds plunged into intense brainstorming, hands-on coding battles, and dynamic team collaborations. The synergy among participants and the tech-charged environment lit up the venue, promising two days of ingenuity, breakthroughs, and inspiring problem-solving.

## PROJECT EXPO - 2025

**PROJECT EXPO - 2025**

**PROJECT EXPO - 2025**

**PROJECT EXPO-2025** at Aditya University kicked off with unmatched energy and enthusiasm! It showcased breakthrough ideas and creative solutions. From cutting-edge technology to socially impactful models, every project reflected the spirit of future-ready learning.

Congratulations to the winners who bagged exciting gifts, and kudos to all participants for their outstanding efforts and passion. In-House internship From tech-powered solutions to impactful community projects, our students are proving that learning goes far beyond the classroom.

## AICTE-SPONSORED EIGHT-DAY FDP

Aditya University takes great pride in organizing an AICTE-sponsored Eight-Day Faculty Development Programme (FDP) on “Universal Human Values – II,” held with the objective of nurturing a value-based academic environment and empowering educators to integrate ethical and humanistic perspectives into their teaching practices.

The sessions were led by Dr. N. Sunil Kumar, Professor & Head, Department of Civil Engineering, Cochin University College of Engineering, an esteemed academician and resource person known for his deep insights into value education and experiential learning.

The FDP was designed to deepen the understanding of universal human values such as truth, love, peace, right conduct, and non-violence. Encourage reflective thinking to bridge the gap between personal values and professional responsibilities. Promote holistic development of faculty members by integrating human values into the academic ecosystem. Foster a positive learning atmosphere that prioritizes empathy, ethical reasoning, and mutual respect.

Throughout the eight days, participants engaged in interactive discussions, experiential learning activities, and case-based reflections, gaining transformative insights into how values can be meaningfully embedded within curricula and classroom practices.

## ICACTEA - 2025

The Department of Computer Science and Engineering, Aditya University, Surampalem, successfully organized the 2nd International Conference on Algorithms & Computational Theory for Engineering Applications (ICACTEA-2025).

The conference served as an academic platform for researchers, scholars, and professionals to share insights and advancements in algorithm design, computational theory, and their applications in solving complex engineering problems.

## WORLD ENVIRONMENT DAY-2K25

Rooting for a Better Future—World Environment Day 2025 A green initiative was organized to celebrate World Environment Day by the passionate students and faculty of Aditya University, guided by the NSS Unit. . bringing students and staff together for tree plantations, clean-up drives, and awareness sessions. Every step we take today shapes a cleaner, greener future. Let's continue to protect our planet with purpose and passion!

## ESSENTIALS OF PROFESSIONAL COMMUNICATION

The "Essentials of Professional Communication" Hands-On Training Program wrapped up after a week of impactful sessions! Administrative staff actively engaged in interactive training, mastering email etiquette and professional writing, and drafting effective circulars and memos. Clear and polite verbal communication with students

## PROFESSIONAL DEVELOPMENT PROGRAMME

Professional Development Programme—Foundations of Teaching & Learning Organized by Freshman Engineering, in collaboration with NITTTR, Chennai A transformative journey into the core principles of modern pedagogy! The Professional Development Programme on the Foundations of Teaching and Learning equipped educators with essential strategies to enhance classroom effectiveness and learner engagement. This collaborative effort with NITTTR, Chennai, emphasized innovative teaching methodologies, reflective practices, and the evolving role of educators in shaping future-ready learners.

## PROFESSIONAL DEVELOPMENT PROGRAMME

The IQAC, in association with the National Institute of Technical Teachers Training and Research (NITTTR), Chennai, organized a Professional Development Program on Academic Leadership and Institutional Development. The program aimed to enhance leadership skills among faculty and promote strategies for sustainable institutional growth. It was a great platform for knowledge sharing, collaboration, and professional advancement.

## 2ND INTERNATIONAL CONFERENCE

2nd International Conference on Algorithms & Computational Theory for Engineering Applications (ICACTEA - 2025).

The Department of Computer Science and Engineering, Aditya University, Surampalem, successfully organized the 2nd International Conference on Algorithms & Computational Theory for Engineering Applications (ICACTEA - 2025).

The conference served as an academic platform for researchers, scholars, and professionals to share insights and advancements in algorithm design,

Scholars, and professionals to share insights and advancements in algorithm design, computational theory, and their applications in solving complex engineering problems.

A significant step toward fostering innovation, collaboration, and academic excellence in the field of Computer Science.

Learning for IoV: Image Processing, Vision and Intelligent Systems, ensuring wide academic visibility. ICACTEA - 2025 stands as a landmark effort in fostering innovation, collaboration, and academic excellence, further solidifying Aditya University's reputation as an emerging center of research excellence in India.

on April 4-5, 2025, in hybrid mode. This prestigious event provided a global platform for researchers, scholars, and industry professionals to engage in intellectual exchange and showcase advancements in algorithm design, computational theory, The conference featured key tracks including Artificial Intelligence, Optimization Techniques, Big Data Analytics, and Robotics, reflecting the interdisciplinary nature of modern computer science. Renowned speakers such as Dr. B. Yegnanarayana (IIT Hyderabad), Dr. Sam Goundar (RMIT Vietnam), and others delivered thought-provoking insights bridging academia and industry

# KNOWLEDGE RESOURCE CENTRE

## The Heart of Aditya University

At Aditya University, the Knowledge Resource Centre (KRC) serves as the foundation of academic excellence, housing over 89,000 volumes and 12,500 prominent titles across diverse disciplines. Beyond books, its extensive collection includes journals, databases, e-books, project reports, audio-visual aids, and back volumes.

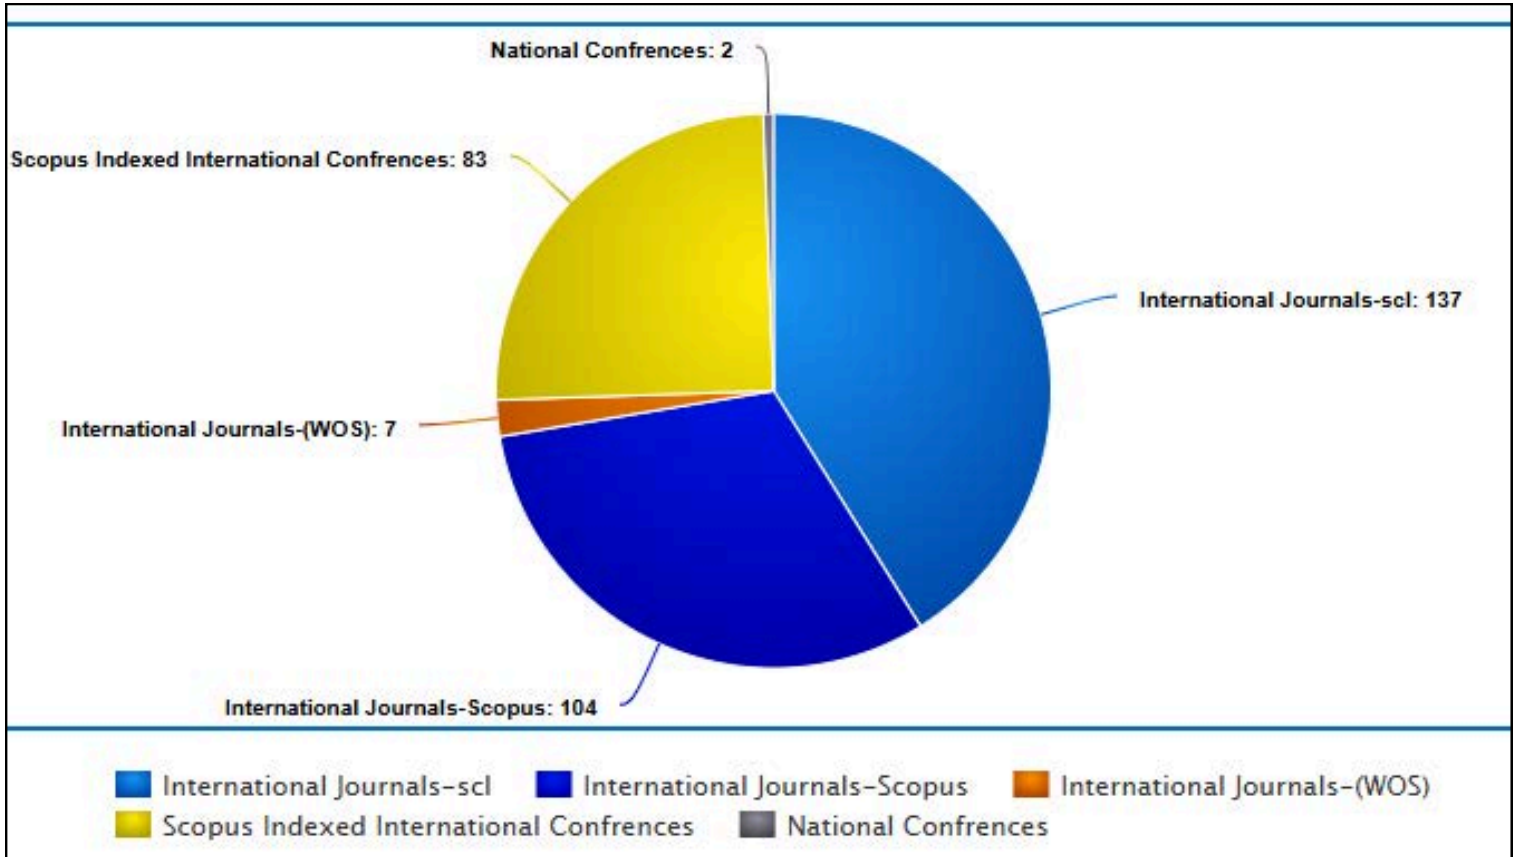

Equipped with RFID-tagged volumes and an Online Public Access Catalogue (OPAC), KRC ensures seamless access to resources across the campus. Its E-Resource Centre provides over 4,500 video lectures from IITs and foreign universities, supplemented by institutional memberships with DELNET, INFLIBNET, and NDL.

For remote access, the KRC utilizes Knimbus, enabling students and faculty to access resources anytime, anywhere. Additionally, premier subscriptions like IEEE, Springer, and Science Direct ensure connectivity to global research and cutting-edge information. With reprographic, printing, and scanning facilities, the KRC continues to thrive as the university's intellectual hub.

Fostering outstanding research that is consistent with the desired results is the essence of research excellence.

202541052696 IP India	Flexible Two-Element Multiple-Input and Multiple-Output (MIMO) PatchAntenna for 5G Millimeter-Wave Advanced Wireless Applications	Dr. Tathababu Addepalli M. Kishore Kumar Vella Satyanarayana	13-06-2025

## MEMORANDUM OF UNDERSTANDING

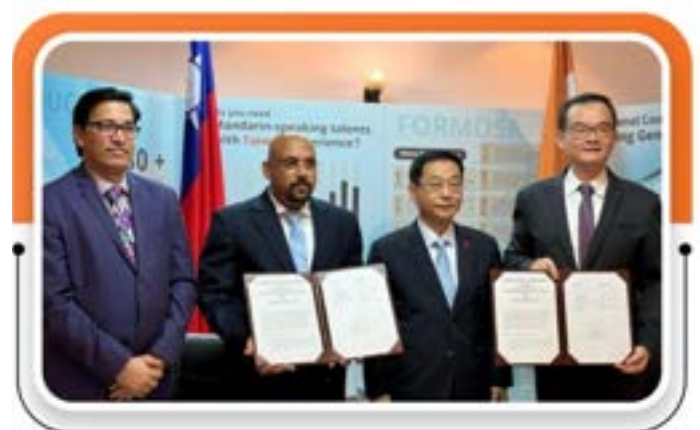

### Expanding Horizons Through Strategic Partnerships

At Aditya University, we believe that collaboration is the cornerstone of innovation and progress. With a strong commitment to fostering global connections and creating impactful opportunities for our students and faculty, we have established Memorandums of Understanding (MOUs) with prestigious national and international organizations.

These partnerships provide access to cutting-edge research, academic exchanges, internships, and industry interactions, equipping our students with the skills and exposure needed to thrive in a globalized world. Through these collaborations, Aditya University is redefining excellence in education and empowering our community to make meaningful contributions to society.

**International  
MoU Exchange Ceremony**

**Aditya University Signed MoU  
With Taiwan's TECC  
(Taipei Economic and Cultural Centre)  
to Foster Educational Exchange**

**MoU Exchange Ceremony**

**MOU SIGNING CEREMONY**

## MEMORANDUM OF UNDERSTANDING

Aditya University is delighted to share a momentous achievement in our pursuit of internationalization and academic excellence. We have officially signed a Memorandum of Understanding (MoU) with the esteemed University of Bedfordshire, United Kingdom – a globally respected institution known for its quality education, impactful research, and vibrant international community.

This strategic partnership represents a significant milestone in Aditya University's vision to build strong global networks that benefit students, faculty, and researchers alike. The collaboration is set to foster a wide range of academic and cultural exchanges, enabling both institutions to share best practices and create meaningful global learning experiences.

Under the scope of this MoU, the partnership will facilitate:

Student and Faculty Exchange Programs – to provide cross-cultural learning, academic enrichment, and hands-on international exposure.

Joint Research Projects – to co-develop research in areas of mutual interest and global relevance.

Collaborative Academic Programs – including dual-degree and twinning programs that combine global knowledge with local relevance.

Global Learning Initiatives – to encourage international internships, seminars, and immersive virtual learning environments.

At Aditya University, we believe that global collaboration is key to nurturing innovation, expanding academic horizons, and preparing our students to thrive in an interconnected world. This partnership with the University of Bedfordshire reaffirms our commitment to excellence and sets the foundation for a future enriched with shared knowledge and transformative learning.

### International MoU Exchange Ceremony

# PROUD MOMENT FOR ADITYA UNIVERSITY!

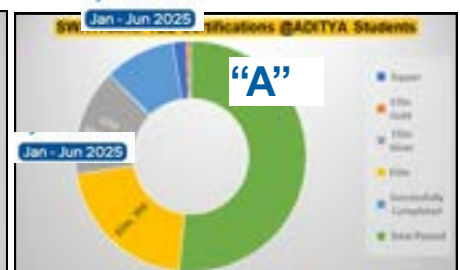

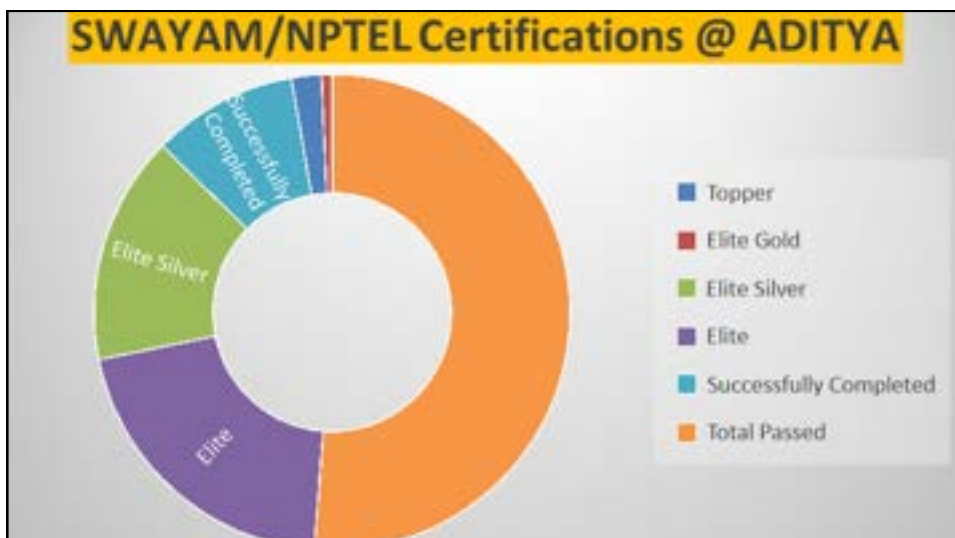

THIS ACHIEVEMENT REFLECTS OUR COMMITMENT TO ACADEMIC EXCELLENCE AND CONTINUOUS LEARNING. KUDOS TO OUR STUDENTS AND FACULTY FOR THEIR DEDICATION!

SECURED 82ND PLACE AMONG 6600 LOCAL CHAPTERS ACROSS INDIA!

ADITYA UNIVERSITY SHINES BRIGHT! WE ARE PROUD TO ANNOUNCE THAT WE'VE ACHIEVED NPTEL GRADE "A" AND LC STAR RECOGNITION! A TESTAMENT TO OUR COMMITMENT TO ACADEMIC EXCELLENCE AND INNOVATIVE LEARNING!

“A”

A big shoutout to all the participants for their hard work and innovation, and congratulations to the winners for their brilliant achievements! Aditya University proudly congratulates the groundbreaking research of Dr. Jagatpati Raiguru, Assistant Professor, ECE, who shared his research skills and scientific expertise on third-generation perovskite photovoltaic technology in Switzerland, Europe, from 12th January to 19th January 2025 in collaboration with Solaronix, one of the renowned photovoltaic industries in Europe.

*Congratulations*

**Dr. Jagatpati Raiguru**

Assistant Professor  
Department of ECE

Delivered Scientific Training and Research Skills Exchange Program on  
**Third-Generation Perovskite Photovoltaic Technology**  
at Switzerland

Dr. Raiguru is a dedicated perovskite solar cell researcher committed to revolutionizing solar energy, sustainability, and clean technology. His expertise spans solar cell fabrication, optoelectronic properties, and recycling, driving the future of renewable energy.

He is actively working on global collaborations, funding opportunities, and industry partnerships to advance his research and make sustainable energy solutions more accessible.

Additionally, Dr. Raiguru is expanding his India-Swiss photovoltaic technology bridge with research & innovation for sustainable, high-quality products. The collaboration identifies the major insights. Perovskite PV has achieved remarkable efficiency gains in a short period, yet stability and durability remain critical challenges. Europe maintains a leading role in perovskite PV development compared to other regions. Collaboration and knowledge sharing are vital to fully harness the potential of perovskite PV technology.

*Hearty Congratulations*

**Dr. Elumalai P V**  
Associate Professor

**Dr. Uzwalkiran R**  
Assistant Professor

for sanction of **2 Lakhs** fund from **AICTE** to conduct offline  
**VAANI Seminar** on "**AI Powered Energy Innovation & Climate Friendly**" in AY 2025 - 2026  
Department of Mechanical Engineering

Heartfelt congratulations to Dr. Elumalai P. V., Associate Professor, and Dr. Uzwalkiran R., Assistant Professor, Department of Mechanical Engineering, on securing ₹2 lakhs funding from AICTE to conduct an offline VANI seminar on "AI-Powered Energy Innovation and Climate Friendly" in AY 2025-26.

## ACHIEVERS DAY 2K25

Achievers Day 2025 – Celebrating 2551+ Placements at Aditya University!

We proudly honored the incredible achievements of our students, with 2551+ placements for the academic year 2024-25. A remarkable day celebrating their hard work and success!

## RESONANCE 2025

Resonance 2025—Aditya University Alumni Meet, Dallas Chapter Our 2025 Dallas Alumni Meet brought together Adityans from across the U.S., all bound by the spirit and legacy of Aditya University. The energy, enthusiasm, and shared memories reminded us that the Aditya spirit is alive—no matter the distance! It was heartening to witness how our alumni are making their mark globally while staying connected to their roots.

Thank you, Dallas Adityans, for your warmth, presence, and pride. We're excited to keep growing this incredible global family! Once an Adityan, always an Adityan!.

## COLOURS 2K25

Achievers Day 2025 – Celebrating 2551+ Placements at Aditya University!

We proudly honored the incredible achievements of our students, with 2551+ placements for the academic year 2024-25. A remarkable day celebrating their hard work and success!

The 3 days brought unforgettable performances, thrilling competitions, and electrifying moments. Relive the best moments from the final day as we wrap up an incredible celebration of talent, creativity, and passion at Aditya University. Don't miss out on the energy and excitement—watch the final day's highlights now!

# COLOURS 2K25

# COLOURS 2K25

## SHOWCASING STUDENT ART AND PAINTINGS

Art is the language of the soul, and our students have beautifully expressed their creativity and imagination through an array of captivating artworks and paintings. These pieces, featured in this issue, are a testament to the immense talent and artistic vision within our student community. Each artwork tells a unique story, reflecting diverse themes, emotions, and perspectives. From vibrant splashes of color to intricate strokes of detail, these creations not only enrich our magazine but also inspire us to appreciate the boundless potential of young minds. We take immense pride in providing a platform for our students to showcase their artistic skills and share their passion for the arts with a larger audience. These contributions remind us of the vital role that creativity plays in holistic education and personal growth.

## The ...E... life !!!!!

In this world of E-mails, E-ticket, E-paper, E-recharge, E-transfer and the latest E-Governance...

Never Forget "E-shwar ( God )"

who makes e-verything e-asy for e-veryone e-veryday.

"E" is the most Eminent letter of the English alphabet.

Men or Women don't exist without "E".

House or Home can't be made without "E".

Bread or Butter can't be found without "E".

"E" is the beginning of "existence" and the end of "trouble."

It's not at all in 'war'

but twice in 'peace'.

It's once in 'hell' but twice in 'heaven'.

"E" represented in 'Emotions'

Hence, all emotional relations like Father, Mother, Brother, Sister, Wife and Friends have 'e' in them.

"E" also represents 'Effort' and 'Energy'

Hence to be 'Better' from good both "e" 's are added.

Without "e", we would have no love, life, wife, friends or hope and 'see', 'hear', 'smell', or 'taste' as 'eye', 'ear', 'nose' and 'tongue' are incomplete without "e".

Hence GO with "E"

but without E-GO.

## Igniting the Passion for Learning

"Education's purpose is to replace an Empty mind with an open One"

"You can't go back and change the beginning But you can start where you are and change the End. The Best time to plant a tree was 20 years Ago. The second-best time is Now"

" The More I Learn,  
The More I realize  
How Much I don't know  
The More I realize  
How Much I don't know,  
The More I Want to learn."

The Highest result  
of Education is  
"Tolerance"

"A well-Educated population is  
the Best defence against tyranny."

A Good teacher influence Can Never be Erased.

## Our mythology - Our history.

you were born in a country  
" Where some victorious people  
fought against evil people  
to protect our history, and  
now it's our turn."

Their fights gave us lives,  
Which we should live proudly,  
With out regrets.

Our achievements should be  
a source of pride  
for their struggles, not shame  
for their sacrifices.

By  
**233G1T0013**  
**K. Pradeep**

## AMATTER OF TIME

It's easy to let it slips  
But you must not lose your grip  
When you are grappling with the blues  
Through the gravel and the grit

I know sometimes it's tough  
But don't give up, you're good enough  
See, I've come to the conclusion  
That perfection is an illusion.

When happiness is hard to find,  
Some days you really have to smile  
But I'm confident you'll find your way  
Because it's only a matter of time.

## జీవితం

జీవితం అనేది గమ్యం కాదు...  
గమనం మాత్రమే...  
ఎన్నిసార్లు ఓడినా గెలవడానికి అవకాశం ఉంటుంది.  
"గమ్యం అనంతం..  
గమనం అనేకం.."

## నేను

"మన మనసు మీదా  
ఏ ముసుగు లేదని  
బైటవారికి నిరూపించటం కోసం  
మన మాటల మీదా  
మొహం మీదా ముసుగు  
వేసుకుంటాం"

## అ-అ (అకలి - అలోచన)

అకలి గొప్పదా..  
అలోచన గొప్పదా..  
..అంటే...  
"అకలి అవసారస్య చూపిస్తుంది...  
అలోచన బ్రతకడం నేర్పిస్తుంది..."

# THANK YOU

On behalf of the entire management of Aditya University, we would like to extend our sincere appreciation and gratitude to all those who have contributed to the creation of this remarkable edition of our college magazine. This publication is a true reflection of the creativity, dedication, and talent that exists within our university community. We are proud of the work put in by the editorial team, students, faculty, and staff who have come together to bring this magazine to life. Your hard work and commitment to excellence are truly commendable. We also wish to thank all the contributors—from writers and photographers to designers and editors—whose collective efforts have helped create a publication that not only highlights the achievements and stories of our students and faculty but also strengthens the spirit of unity and pride within our university. To our readers, thank you for your continued support and engagement. Your interest and enthusiasm inspire us to further elevate this magazine as a platform for showcasing the diverse voices, perspectives, and accomplishments that make our university exceptional. As we look ahead, we are excited to see the future editions continue to inspire, inform, and celebrate the vibrant community of Aditya University.

With Sincere Thanks
