

## **Aditya Global Business Incubator (AGBI)** **Aditya University**

*Where Vision Meets Action. Where Ideas Become Enterprises.*

### **Welcome to AGBI**

Welcome to the **Aditya Global Business Incubator (AGBI)** at **Aditya University**, a launchpad for **dreamers, innovators, and changemakers**.

Whether you're a:

- Student with a brilliant idea
- Startup ready to scale
- Faculty researcher aiming to commercialize innovation

**AGBI provides the perfect ecosystem to transform your vision into reality.**

💡 *We don't just build businesses. We build entrepreneurs.*

### **Vision**

To create a **world-class entrepreneurial ecosystem** that nurtures innovation, research, and business excellence, fostering startups that make a **lasting global impact**.

### **Mission**

- To empower students and aspiring entrepreneurs through **structured mentorship, funding, and incubation support**
- To bridge the gap between **academia, industry, and government**
- To support **research-driven startups and promote IPR & patent commercialization**
- To enable **job creators instead of job seekers**

### **Focus Sectors & Industries**

-  **Technology & AI** – Machine learning, automation, software innovation
-  **Healthcare & Biotech** – MedTech, pharma, digital health
-  **AgriTech & Sustainability** – Precision farming, sustainable practices
-  **FinTech & EdTech** – Digital payments, AI learning platforms
-  **E-Commerce & Retail Tech** – Consumer tech, supply chain innovation
-  **Renewable Energy & Cleantech** – Green energy, smart grids
